

become a better version of yourself with

MAXLER

MAXLER is an international brand
which makes dietary and food supplements
for people living a healthy and active lifestyle

18+
years
on the market

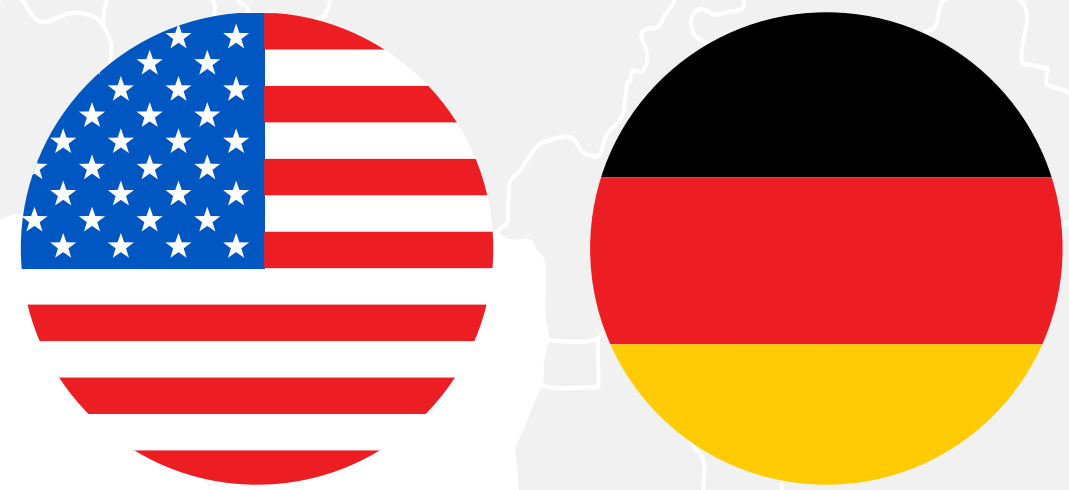

200+ employees
worldwide

19+ countries

Head offices in the USA and Germany

It is important for us not only to provide quality products, but also to share knowledge about healthy lifestyles. That's why we make the world of scientific research in nutrition available to anyone who is interested. We tell you how to beat stress, strengthen your immune system, be active and look great. And we give you the tools you need to do it.

Our goal is to share with you the knowledge of how to become the best version of yourself. With our support, you will become the person you've always dreamed of being.

YOUR HEALTHY LIFESTYLE IS OUR MISSION

Our mission

We are not delivering products, but the philosophy of wellbeing

QUALITY

Impeccable quality and the best ingredients suitable for Olympic champions. Tested. Proven. Guaranteed.

SCIENTIFIC APPROACH

The latest scientific discoveries to ensure the ultimate performance. No unnecessary ingredients. Only formulas that really work.

MINDFULNESS

Promotion of self-care and self-respect. Advocating the philosophy of Wellbeing and raising people's awareness.

Our values

Each product is manufactured on the basis of unique recipes
in the most modern facilities in Germany and USA.

All our products are compliant with superior quality standards

GMP · ISO · HACCP
STANDARDS

Many of our products are free of animal ingredients, lactose and gluten.

MAXLER
CATALOGUE

Main product lines

Sports nutrition
has higher doses of ingredients and is suitable
for professional athletes and people who lead an
active lifestyle.
